

Application to renew the designation of Dore Neighbourhood Forum

An application has been made to renew the status of Dore Village Society as the designated neighbourhood forum for the Dore Neighbourhood Area. Dore neighbourhood area is partly within Sheffield Planning Authority and partly within the Peak District National Park Authority.

Dore Neighbourhood Forum was designated for a period of 5 years in October 2014 in accordance with the Neighbourhood Planning (General) Regulations 2012 and the Town and Country Planning Act 1990.

This application seeks to renew it for a further 5 years.

The application is supported by a map of the Neighbourhood Area, a copy of the Dore Village society constitution, and contact details for the forum. Once a Neighbourhood Forum has been designated another cannot be designated for the area until that existing Neighbourhood Forum expires or is withdrawn.
