## **Colin Robinson - Resume**

Born and educated in Barnsley at the Grammar School, I lived in Barnsley until I was 18, and then moved to Sheffield, where I studied to be a Cost and Works accountant (as it was called then) working at WA Tyzack on Eyre Street. I stayed there for eight years whilst passing my accountancy exams, and immediately followed this up by taking the Chartered Institute of Company Secretaries qualification.

During this time I married my wife Jenny and we had two daughters. I obtained a job at BOC near Rotherham, and after a year we moved to Glasgow with them. During the last two years of my five years in Glasgow, BOC went through a phase of swapping people around, and I became the Buyer. We had a son born whilst living in Scotland.

I then moved back into accounting to a post at Michelle Bearings, part of the Vickers group in Newcastle-upon-Tyne. I continued to be a Finance Director for the next 21 years, four more years at Vickers, four years in the pharmaceutical industry, six years in Knaresborough at a thermoplastic bearings manufacturer, and finally seven years in road haulage in Leeds.

Since 1990 my wife and I have lived in Dore, and in the mid-90's I became self-employed in a consulting role. When I retired we bought our first motorhome and after three years upgraded this to a larger one.

I was appointed Treasurer for DVS in late 2015, and during that time I introduced emailing to the invoicing and debt chasing procedures, saving both time and money. I handed this role over to Jenny Donnelly (now the Chair) in 2020. Sadly, my wife passed away last October, and as the Society were paying an external firm of accountants to prepare the accounts, and as I now had much more time available, I offered to become Treasurer again, and I took over in January this year.
